CENTRAL CITY LIVING ZONES REVIEW CONSULTATION

The Christchurch City Council is carrying out a review of the planning framework of the living zones in the Central City, including the special amenity area (SAMs) overlays. This review is required by a statutory direction in the Christchurch Central Recovery Plan, with the outcomes to be delivered to the Minister for Canterbury Earthquake Recovery by 1 March 2013.

Although there is no statutory requirement for public consultation during the preparation of the review, we are seeking your views on how the existing planning framework could be amended to support the aspirations of the recovery plan for a high-quality inner city living environment.

For further information and to provide written comments go to www.ccc.govt.nz/HaveYourSay or call 941 8999.

Alternatively, come along to the drop-in session to talk to staff working on the project:

Wednesday 7 November 2012, 4pm–7pm
HMNZS Pegasus Building
419 Montreal Street

The opportunity to provide feedback will close on 7 December 2012.
