AKAROA/WAIREWA COMMUNITY BOARD PERMANENT MOBILE FOOD STALL AREAS – AKAROA

Under the Council's Trading and Events in Public Places Policy 2010, two permanent mobile food stall areas can be identified and designated within the Akaroa Business District.

The Community Board has identified five possible sites and before deciding on the final two we would like your input on the benefits and potential issues of each of these sites.

Tina von Pein will be undertaking the consultation for the Community Board, and will be in Akaroa on Tuesday 28 and Friday 31 August.

To make an appointment with Tina, or to find out more details contact her on 027 201 1000, or email tina@developmentmatters.co.nz
