

Christchurch City Council

LIVE TRAM WIRES

The Christchurch City Council advises that as part of the tramway repair works, overhead wire for the trams should be treated as live at all times from 4am Friday 18 October 2013.

The live overhead tram wire will run from the Armagh Street corner, along new Regent Street, through Cathedral Junction, along Worcester Street, through Cathedral Square, along Worcester Boulevard, Rolleston Avenue, and Armagh Street to Victoria Square, terminating near the Armagh Street bridge.

For enquiries phone Martin Polglase (03) 941 8999.
