

UDS Inquiry by Design Update

11 July 2006

Report to: UDS Forum

Report Authors: Alice Ann Wetzel, Kobus Mentz, Ken Tremaine and Bill Wasley

PURPOSE OF REPORT

The purpose of this report is to provide the UDS Forum with an update of the activities pertaining to the planning and implementing of the Inquiry by Design Workshops.

1. Workshop Dates

- 1.1 Workshop 1 – 1 August to 4 August, Limes Room, Christchurch Town Hall, 9am – 5pm
- 1.2 Workshop 2 – 29 August to 1 September, Limes Room, Christchurch Town Hall, 9am – 5pm

2. Preworkshop Meetings

- 2.1 Technical Workshops
Kobus met with UDS Management Team staff to discuss the workshops.
- 2.2 Council Meetings
Ken, Bill and Kobus met with each of the Councils the week of 29 May to 2 June.
- 2.3 Stakeholder Meetings
Stakeholder meetings were held in each of the districts on 11 - 14 July. One meeting will be held in each area. At the end of each day a community meeting was held.

3. Recommendation

- 5.1 That the Inquiry by Design report be received.

Alice Ann Wetzel – IBD Liaison

TECHNICAL MEETINGS

HOOR 1: UDS planner rep to discuss:

- Agreed who attends and in what role
- Nominated presenters to deliver technical presentations
- Submission of those presentations (short and preferably on maps)
- Stakeholder meetings

HOURS 2 & 3: Constraints discussions with:

GIS (Susan Lilley from CCC who is coordinating all the GIS will be coming to each technical meeting)

Environmental
Community
Planning

Traffic/ roading (Selwyn and Waimakariri may nominate consultants for us to talk to – if so we need to cut their time down by an hour or so to make space to meet such back in Christchurch)

Questions for staff: some starter questions but don't feel limited by them

- Drivers for change facing district
- Key growth areas
- New subdivisions
- Number of new dwellings
- Proposed future growth areas
- How is growth being managed
- Key infrastructure issues: sewer, roading, water
 - Existing capacity
 - What is in process
 - What is planned
 - What is being deferred
- Funding issues
- Connections to public transport
- Economic development projects and programmes
- Community needs/requests
- Open space programmes and proposals
- Floodplain management
- Community facilities (roles, needs, etc.)
 - Existing
 - New
 - Proposed
