Dear Jeremy,

Please find attached a letter regarding the Council's review of its District Plan, with particular regard to Designations. A hard copy of the letter has been posted.

Please do not hesitate to contact me with any queries.

MetService does wish to roll over our Le Bons Bay automatic weather station designation. The roll over will be without modification.

The details of the designation as per your required form is as follows:

1. Requiring Authority Name – Meteorological Service of New Zealand Limited
2. Designation Notation – Meteorological Activities
3. Designation Purpose – Automatic Weather Station
4. Legal Description – Pt RS 31981
5. Physical location – accessed off Dalglishs Road, Banks Peninsula – hut location Latitude 43.74593 degrees S , Longitude 173.12177 degrees E. The site is next to a LINZ trig (A5J3) as shown on NZTopo50-BX25 Duvauchelle map.
6. Size – 400m2 (0.04 ha)
7. Designation to be included without modification
8. n/a
9. n/a
10. I don't have an accurate digital map of the site but I have attached an edited Google screenshot (the hut location is at the arrow – lat and long coordinates above) plus a sketch plan of the site.

Please come back to me if you require any further information.

Thank you

regards

Jeremy
